

Trust

Becoming a Christian at an early age I cannot remember a time when God was not an important part of my life. Journeying with God is an adventure full of challenges. My greatest discovery with God is not allowing those challenges to paralyze my trust and faith in him but to motivate me to discover the truth of who God is, the truth of what God has done, the truth of who he has made me to be and the truth that he has an amazing, fulfilling, purposeful, fun packed plan for my life that I want to take hold of. I thank God for his faithfulness to me and for his persistence in teaching me to trust him at all times and in all circumstances. My testimony really is 'How great is our God'
