

New Beginning

The years were quickly passing and retirement was looming very near, which can be a very happy and satisfying time in your life. But it can also be a little scary, and we let fear creep in as we had dreams and goals yet unfulfilled.

We pressed into God in prayer, and wow! He answered our prayers so quickly. Our family had grown up and left home, and we felt that the Lord was saying, "Take nothing with you, travel light and follow me, and I will give you the desires of your heart". THIS WE DID! We sold our house and belongings and put our lives into God's hands.

Our lives were turned upside down. In less than a year, we found ourselves completing a Crossroads DTS and went out onto the mission field. We found that God can make very ordinary people into extraordinary people.

Now looking back over the past twenty years, God has taken us and used us beyond our wildest dreams. He has continually led our steps and provided for us in every way. We have travelled to many parts of the world working with many cultures- Comforting dying AIDS patients, building orphanages in Africa

blind people receive sight and hope while serving with Mercy Ships, bringing God's love and Word to the refugees in Romania, Croatia, and Albania, and loving, encouraging, and serving the prostitutes and bar girls of Thailand. Living with these people and seeing the changes and hope in their lives are the miracles of God for us. God truly kept his promise and gave us the desires of our heart!
